For almost 25 years, St. Mary's Catholic School has been presenting the Living Stations of the Cross every Holy Thursday. The pandemic altered this project in 2020, forcing the players to do a video rendition which can be viewed here: <https://youtu.be/CQp5J89rCns>

Finally, after two years, the current 7th and 8th graders, coached by Mrs. Dohanich and Mrs. Kubicek, are bringing back the moving live event which depicts the Passion of Christ, The Living Stations of the Cross.

The Living Stations of the Cross will take place on the grassy field in front of the gymnasium, between the school parking lot and Ridgewood. It will begin at 10 am on Thursday, April 14th. Everyone of all faiths and denominations are invited to join. Please bring a lawn chair or blanket to sit on.
